CAREER OBJECTIVE

Motivated fresher with leadership and technical skills, eager to contribute to organizational success. Passionate about learning, innovation, and growing into a valuable professional.

EDUCATION

Pragati Engineering College, Surampalem

2024 – Present

B.Tech in CSE (Artificial Intelligence & Machine Learning)

CGPA: 9.3

TECHNICAL SKILLS

Languages: Java, Python, JavaScript, SQL

AI/ML: Machine Learning, Deep Learning, TensorFlow, Keras, Scikit-learn, LSTM

Web: HTML, CSS, JavaScript, React.js, Node.js, Express.js, REST APIs

Databases: MySQL, MongoDB

Tools: Git, GitHub, Docker, Postman

Core: DSA, OOP, DBMS, Computer Networks

Soft Skills: Team Collaboration, Communication skills

INTERNSHIPS

Full Stack Development Intern — RINL, Visakhapatnam Steel Plant

- Developed a full-stack project using Python, FastAPI, MySQL, and React.js during the internship.
- Gained hands-on experience in REST API development, backend integration, database management, and frontend development.

Full Stack Developer Intern — SmartBridge

- Completed a 2-month (120 hours) virtual internship in Full Stack Development using the MERN Stack.
- Gained hands-on experience with MongoDB, Express.js, React.js, Node.js, REST APIs, and Git/GitHub

Projects

1. NewsPulse

- Developed a **news monitoring and aggregation platform** to collect, search, filter, and track industry-related news from multiple sources.
- Built the system using **FastAPI, MySQL, React, and news APIs**, with features such as search, filtering, bookmarks, history, and automated news collection.

2. TrackMyGrade

- Developed a **student performance tracking platform** to monitor academic progress and provide centralized access to student performance data.
- Implemented a full-stack application with **React, backend APIs, and database integration** to manage and visualize student-related information.

CERTIFICATION

AIML-Virtual Intership -[Link](#)

Full Stack Development – MERN Stack -[Link](#)

LEADERSHIP & ACHIEVEMENTS

- Secured **First Rank in 1st Semester and Second Rank in 4th Semester**, demonstrating consistent academic performance.
- Secured **First Place in Talent Expo** by presenting a project focused on practical problem-solving.
- Team Lead**— Coordinated team activities and contributed to planning and execution.
